CHARM GOLD

Fruit of the most advanced scientific research , the new complex of MicroEmulsion Gold Shine Komplex acts in synergy with emollients of creamy base giving extreme brightness and an extremely natural gloss effect. Moreover its innovative formula contains Phytokeratins that bind to the hair reintegrandolo of constituents which give strength and volume while protecting the brilliance of color.

shades: available in 80 NATURAL nuance in the series: , GOLDEN , ASH , MAHOGANY , RED COPPER and ULTRASCHIARENTI.

directions for use: GOLD CHARM blends with the oxidizing cream OXILINE by 20/30 volumes in 1: 1 ratio is 5. Because of the large tube , performance we recommend a half dose of color (50 ml) + 75 ml of cream oxidizer. Series 1: ultraschiarente 3. Exposure time 30 minutes , 45 for ultraschiarente series.

packaging: 100 ml tube.
