OLIGOMINERAL EVO permanent hair color cream

Provides rich colors, bright and harmonious in total safety. Ideal for the perfect gray coverage. Easy to prepare and to apply due to its viscosity controlled. Donates intense colors guaranteeing long-lasting fidelity result. Maximum skin tolerance of the mixture with extract of chamomile anti-irritant.

Thanks to the active Ceraflux® : a complex of ceramides with a great capacity for restructuring, OLIGOMINERAL EVO improves the porosity of the hair favoring the uniform deposit of color pigments, leaving the hair more glossy and smooth.

Shades 82 shades divided into 9 color families : NATURAL ASH, BEIGE, GOLD, COPPER, RED MAHOGANY, VIOLINS AND FANTASY

method of use : coloring Evo is formulated to work synergistically with EVO OXY 10, 20 and 30 volumes, in a 1:1 ratio

box: 100 ml tube
