SYNERGY CREAM ACTIVATOR SELIÀR

Activator enhanced with a special synergy of natural Keratin, Argan Oil and Linseed Oil and Silk Proteins. The special molecular composition for treating action SYNERGY CREAM ACTIVATOR SELIÀR combines perfectly with Synergy Color, exponentially enhancing the properties of coverage, restructuring and shine. The rich soft and creamy mixture thus obtained makes the application easier and more consistent, enhancing the brightness of the color, the reliability of reflection and durability. SYNERGY CREAM ACTIVATOR favors the transport of active ingredients protective and restructuring within the structure of the hair and a more effective adhesion of micro-pigments on the hair. It is a versatile product that can be mixed also with the permanent color with ammonia and with all types of bleaches, which improves the compactness, stability and adherence to the hair for a better result of bleaching. To be used according to the instructions of the product that is to be mixed. Available in 10, 20, 30 and 40 volumes.

box: bottles of 150 and 1000 ml.
