NUTRI - SPECIFIC ACTIVATOR FOR PLATINUM

Oxidant -specific Platinum Platinum and without ammonia. It contains the new active lipid wrap that acts in synergy with the paste Platinum.
The lipids in fact cover the hair fiber by going to:
- Maximize the action treating the dough
- Burnishing the hair fiber itself due to their softening properties.
The nutritional activators are available in 20 vol., 30 vol. and 40 vol.
box: 1000 ml bottles.
