TREATMENT HAIRSERUM TREATMENT HAIRSERUM

SERUM OBLIPHICA

Great styling serum for fast and flawless. Serum gives movement, volume and elasticity to all types of hair (especially those damaged, colored, treated, brittle) without weighing it down. Wrapping them with an invisible protective film, SERUM OBLIPHICA defends them from the heat, and moisture from external aggressions. Extra grip and long-lasting anti-frizz effect.

box: 150 ml dispenser bottle
