KERATIN - FINISHING THE KERATIN

KERATIN - finishing alla keratina

Keratin Treatment is a universal product that can be safely used on all hair types : dry, frizzy, overly retouched, colored or natural. On almost all types of hair you can get the same results : hair healthy, shiny, frizz-free.

KERATIN LEAVE- IN SPRAY

Protects against UV rays, leaving the hair soft, shiny and manageable. Perfect for use after showering before exposure to the sun and the pool.

box: 120 ml spray bottle.

KERATIN INTENSIVE MASK

A conditioning mask for all hair types repairs and strengthens the hair fiber, adding thickness and reconstructing the hair fiber.

package : 120 ml tube.

BRAZILIAN BURITI

Brazil nut butter with this light serum gives light to the hair. UV filters in a natural way and it is a natural thermal protector. Contains 5 active substances: vitamins B1, B2, B3, C, and vitamin E.

box: 60 ml vial.
