PERMANENT + FIXING

curling hair liquid

Available in the following versions:

- for capellinaturali or ass,
- for treated hair or hairline,
- for damaged hair or highlighted hair.

The consistency of Hedgehog obtained varies depending on the diameter of the rod used.

directions for use: after fitting all curlers, saturate well with permanent liquid, leave on for as long as necessary, checking every 5 minutes the status of curl. The use of heat source reduces the exposure time. Rinse thoroughly with warm water, DAB and apply the fixing liquid, with approximately 15-minute pose. Rinse Rod mounted, remove the curlers and wash with shampoo acidifier.

packaging: 500 ml bottle.

FIXING LIQUID

Universal permanent mounting fluid with scent of exotic fruit. Suitable for fixing the ripple created by permanent.

packaging: 1000 ml bottle
