AMARGAN HAIR THERAPY OIL AMARGAN HAIR THERAPY OIL

Amargan HAIR THERAPY OIL contains Argan oil, a precious natural substance rich in essential fatty acids and vitamin E, which renew and revitalize damaged hair, protecting them from the elements and harmful UV rays.

Among the properties of Amargan ILO : softens thick hair and rebellious ; restores radiance and softness to damaged hair and tired ; instantly detangles all types of hair. Helps eliminate frizz and controls fluttering hair. Strengthens brittle hair and repair damaged ones. Soothes the scalp. Reduces drying time by up to 40 %. Maximize the results of chemical services : color, highlights, and hair straightening.

method of use : massage two or three drops of Amargan HAIR THERAPY OIL among the damp hair before drying. Instantly absorbed, leaves no residue nor hair, nor on the skin.

package : bottles of 30 and 100 ml.
