EUDERMIQUE : MAINTENANCE TREATMENT AND PREVENTION OF FAULTS SKIN MIN

EUDERMIQUE: TRATTAMENTO DI MANTENIMENTO E PREVENZIONE DELLE
ANOMALIE CUTANEE MIN

toning lotion

The regular use of this lotion allows to have a skin always hydrated, sanitized and toned thus preventing the formation of any skin abnormalities such as itching, odors, etc.. It also promotes cell regeneration and oxygenation.

method of use : to apply the required amount after shampooing, or directly on the skin to dry hair. Do not rinse.

package : 150 ml bottle
