SYNERGYCARE-EXCLUSIVE HAIR SPA immediate repair

UV weathering , , technical , services over poor nutrition , hormonal dysfunction , frequent washings and stress are the main causes of dehydration of the hair. Result: dry hair , fragile , brittle and prone to cracking. Market analysis shows that more than 50% of women have dry and damaged hair. This issue causes the woman to attend the Salon for specific treatments and makes it more prone to buy professional products to follow the therapy at home. In this context , research labs IT & LY Hairfashion have developed exclusive treatments specially dedicated to the care and the reconstruction of particularly fragile brittle hair and heavily damaged: the wellness ritual that gives softness and hydration , new life to your hair. Already from the first application you can see the results of stem enhancement and optimum performance in the reconstruction of the hair fiber. **THE PERFECT HARMONY BETWEEN NATURE AND TECHNOLOGY**
All products are: sles free paraben free , colorant free and dermatologically tested.
