ACTYVA KERA FIBER : PHASE 1 AND 2

ACTYVA KERA FIBRA: fase 1 e 2

first facelift effect filler for damaged hair and very damaged. A concentration of active ingredients against aging and damage to the hair, enclosed in a revolutionary formula, effective from the first application.

Technology from triple rejuvenating action thanks to the innovative Kera Fill Complex, which boasts the synergistic action and enhanced by three key components: Hyaluronic Acid, Hydrolyzed Keratin and vegetable protein extract, Carob seeds. Hair is now more consistent, uniform and shiny, as rejuvenated. Filled with new material, the lengths gather all their fullness and body. Removed frizz, the fold becomes easier and lasting. Treatment after treatment the hair becomes visibly healthier, stronger and more resistant to breakage. The fresh and fruity fragrance of KERA FIBER is enriched with essential oil of sweet orange, relaxing and soothing effect, helping to create an enveloping atmosphere during treatment.

KERA FIBER PHASE 1

It is the initial gesture essential for preparing the hair to receive the Phase 2 of treatment and is used as a shampoo.

Package : single-dose tubes of 25 ml in box of 12 pcs.

KERA FIBER PHASE 2

It is the lifting treatment effect fillers that regenerates the hair giving a healthy and vital.

Package : single-dose tubes of 25 ml in box of 12 pz.o.
