MOROCCANOIL - MOROCCANOIL LIGHT MOROCCANOIL - MOROCCANOIL LIGHT

for all types of hair and blonde hair and purpose

The line of Moroccan oil treatment is enriched with a new prepared Moroccan oil LIGHT, which is well suited to hair, fine and colorful. The rich formulation based on Argan oil gives immediate freshness and vitality to the hair that are untangled, nourished, bright and shiny.

method of use : for styling and finishing apply on damp or dry hair from mid-length to the ends. For hair extension: apply the product at about 8 cm below the junction of the extension and proceed to the crease. For a technical treatment or prior to staining, apply a cap to the amount of product on dry hair, massage and apply the color or the technical treatment.

box: 100 ml bottle.
