BOTTOX CAPILAR - ANTI-AGING TREATMENT

BOTTOX CAPILAR - trattamento anti-aging

anti aging formula, rich in vegetable Bottoxina derivative of Botulinum toxin.
A solution that stimulates the production of keratin, collagen and elastin from the roots to the tips. The result is a reinforcement of the fiber capillary, a greater elasticity and a frizz canceled. Hair is then compacted, shiny, healthy, rejuvenated.

A line consists of:

SHAMPOO

ACTIVATOR CAPILLARY

SMART Rebuilder

THERMAL DEFRISER
