CUSTOMIZING UNIFORMS

Gerardi studies, proposes and implements in fast times of tailoring especially for those who want to customize their uniforms. Just 48 hours for shipping throughout Italy due to the high quality of work and professionalism of employees, contractors and owners that in 40 years of activity have secured an ongoing relationship with over 23000 clients distributed throughout the Italian territory. The company not only guarantees the quality of the product but also a serious concern for the environment and respect for the customer. Style, quality, professionalism, timing and support are what characterizes Gerardi. All products are certified production Italian (weaving, colouring and packaging) and are colored with colors AECOTEC certified. All articles for black resist Dye Remover.

KIMONO TONY **art. 239**

Available in different colours: black and Brown are resistant to bleach. The fabrics are:

- Stain-resistant, thanks to a special composition can be bleached (albeit colorful) and are able to expel special types of stains such as hair dye.
- ANTISTIRO, thanks to a special type of processing your hair don't stick on them and the customer does not need to press, because just simply hang it to dry after washing.
- Made in Italy.
