REVOLUTION

special heat resistant synthetic fiber

A synthetic fiber that has several advantages, such as:

- the CONVENIENCE : it can dry quickly with the hot air gun without damaging the fiber ;
- it's TRENDY: because it allows you to change the look whenever you want, being able to smooth the plate at 200 ° C or curl with the help of electric gripper with lacquer fixative Revolution.
- NATURAL is because the hair is silky to the touch like human hair after shampooing and keep the natural curl.

With this fiber is proposed a wide range of WIGS, CLIP EXTENSION CODE and, in many versions and colors.
