AQUA SEAL fluid waterproofing cream

Aqua -Seal is 1 Kérastase fluid cream with waterproofing effect to protect sensitized hair from the aggressions of the sun's rays, salt and chlorine. This product is developed by the L'Oréal Recherche Avancée for sensitized hair provides optimum protection to the hair.

Based on :

- ? Silicone cationic : waterproof fiber and makes hydrophobic
- ? Ceramide : strengthens the cuticle and restores the hair's natural lipid barrier
- ? UV Filter : protection against photo-degradation of the hair fiber due to the rays of the sun
- ? Pro-vitamin B5 improves the softness of the hair.

advantages:

- ? Waterproof
- ? Improve water retention
- ? UV protection
- ? Makes the hair without weighing governed
- ? The hair is shiny and soft.

method of use : after applying Bain Après -Soleil and Soin Après -Soleil more shown to specific needs, dry your hair, distribute in the hands 1 or 2 knobs of product on the hair and then distribute them. Do not rinse.

box: 125 ml bottle.
