COLOR CARE TOP

to always vivid and bright colors

With Aminocare Complex and Vitamin Complex Silicon + Heliogenol for a more brilliant color alive and fresh for a long time.

C1 BATHROOM COLORED HAIR NOURISHING

Innovative formula with scrubbing action antioxidant, with Aminocare Complex with Wheat Proteins, Heliogenol, Vitamin Silicon Complex with moisturizing and anti-aging. Cleanses all types of hair colored, bleached and treated, revitalizing and, at the same time, enhances and preserves the life of the color.

packaging: bottle of 250 ml and 1000 ml.

T2 PROTECTIVE MASK COLORED HAIR

With Aminocare Complex, Heliogenol, Vitamin Complex Silicon T2 PROTECTIVE MASK is an innovative formula that protects colored hair. The color lasts longer and the hair fiber is more resistant to washing frequent. It contains active ingredients that make your hair more smooth, protected and weather resistant.

Container: 250 ml jar.
