NUTRIENT PROGRAM AROMATHERAPY PROGRAMMA NUTRIENTE Aromatherapy

A specific treatment to regenerate and stimulate the strength and vitality of the hair and restore its tone and energy. Precious blends of essential oils, trace elements and vitamin complexes, favoriscono the natural vitality of the hair and prevent the weakening of the hair bulb.

ANAGEN VITAL 1

Vital anagen 1 nourishes and strengthens hair roots.

SHAMPOO ANAGEN VITAL

SLES free gentle shampoo designed to combat the phenomenon of hair loss.

ANAGEN VITAL 2

Ideal treatment in case of rapid and massive hair loss, prevents and counteracts the loss of hair, reinforcing and protecting the hair bulb.

ANAGEN VITAL HYPERHIDROSIS

It nourishes and strengthens the hair follicle and prevents excessive sweating of the scalp, extending the cleaning of skin and hair.

Bioderm

Used as a maintenance treatment or as a preventive method to avoid the premature fall, ensures the growth of hair strong and robust.

ANAGEN DAILY

Used every day, counteracts premature hair loss.

LOTION 24H REFORCE

Valuable synergy of essential oils that prevents premature hair loss.

RELAX BALM PH 3
